

2015 National Sweeps Critique *by Donna Miner*

2015 Canadian National Whippet Specialty

The day dawned sunny and humid in Long Sault, Ontario for the 2015 Whippet Club of Canada National Specialty. What a stunning location for an event! The show site, along the shore of the St. Lawrence Seaway, near the historic sites memorializing the Battle of Crysler's Farm during the War of 1812, was a brilliant choice featuring a virtually private campground on East Woodlands Island in the middle of the Seaway. As the rising sun crested the trees on the morning of the show, a multitude of white tents, one for each ring, were painted golden with the morning light. The prize tables were laden with rosettes of every color and amazing trophies. It was a glorious sight! Everywhere there was a buzz of nervous energy and excitement.

It was my pleasure to begin the show with the judging of Juvenile Sweepstakes. Evaluation of young whippets is a joy and a privilege. It's also a lot of fun! One never knows what a young pup will do in the ring. It's a great opportunity to look for up-and-coming stars in the entry.

JUVENILE SWEEPSTAKES

Junior Puppy Dog (2 entries)

First place went to the white and fawn brindle McCartney's Shared Belief, the more mature of the two entries, showing more balance, and superior muscle development over second place Touchstone Devil's Advocate, a promising young pup with a very handsome head who was at that awkward age that most puppies go through.

12 - 18 Month Dog (2 entries)

In this class of two very handsome animals, the irish-marked fawn brindle Festiva Snow Hill Imagine placed above the solid fawn dog, Cariad's Your It At Spellbound, based for his more functional topline correctly placed arch over longer loin.

Junior Puppy Bitch (3 entries)

First place was awarded to, Azure's Lyrical, a very pretty, irish-marked, red brindle with a bit of an optical illusion in her marking that tended to disguise her nice depth of chest. Second place went to Azure's Noteworthy Remembrance whose length of loin placed her above the handsome red and white third place puppy, Hyflyte Standing Ovation.

Senior Puppy Bitch (2 entries)

This was a most difficult class to judge as the two entries were very dissimilar styles. I awarded first place to Vrymeer Soliloquy based on structure and soundness, despite missing pigment on one eye and an uncooperative ear, both minor cosmetic issues that were overshadowed by

her superior substance and body structure. Her conditioning was impressive and promises great fitness for work in the field. In my opinion, these qualities merit more recognition than they generally receive in the conformation ring. Second place went to Clandara's Poetry In Motion, a very beautiful and typey red brindle bitch pleasing white markings who has a bright future.

12-18 Month Bitch (1 entry)

First place was awarded to Festiva's Love You Forever. This red and white youngster was deliciously balanced, front and rear with a lovely long neck and correct topline. She was sound on the move and presented the perfect picture of moderation.

Best In Sweepstakes went to Festiva's Love You Forever for her lovely type, balance, and fitness for work. A sound mover, well-trained and well-handled, her more moderate structure gave her the edge over the Best of Opposite winner, Festiva Snow Hill Imagine.

VETERAN SWEEPSTAKES

Evaluation of Veterans requires a thoughtful balance of conformation to the standard and the dogs' grace in transition through the aging process. It was indeed an honor to evaluate these gentle, senior animals to determine which had ripened best with the years.

Veteran Sweeps 7 - 10 dog class (4 entries)

First place was awarded to the red brindle CH Collooney Mountain Dew (9 years old) based on his more moderate size, longer loin, and more elegant undercurve in comparison to the second place dog, fawn and white CH Festiva's Been There Done That (7.5 years old). Soundness on the move and general condition, were the determining factors in placing the second place dog above the third place dog, CH Dragonsong's Doc Holiday (8 years old), a handsome brindled dog with a lovely, white neck marking. Third was placed above fourth place, the handsome brindle and white with a lovely head and expression, CH Ludah's Pretty Boy Floyd (8.5 years old), by virtue of the relative strength and soundness in the hindquarters.

Veteran Sweeps 10 years & over - bitch class (2 entries)

CH Wheatenridge Baccarat Endora was a beautiful red brindle and white bitch with a beautiful correct neck that blends perfectly into her shoulders. She placed first over Whispers Gin Fizz, a gorgeous, deep red brindle whose face has whitened to that look that, in our older whippets, touches the heart. Placement was based on the first place animal being sounder on the move and maintaining her topline better while moving and free stacking.

Best in Veteran Sweepstakes went to CH Wheatenridge Baccarat Endora who, at 10+ years of age, sets the standard for aging with grace. She has achieved great beauty as a veteran with a large, dark, correct eye, a beautifully arched neck, a lovely outline, and great poise in the ring. She moved soundly and was impeccably handled to the win. Best of Opposite Veteran was awarded to CH Collooney Mountain Dew, a distinguished red brindle dog whose lovely head, strong underjaw and masculine crest of neck made my heart go pitter-pat. The strength, soundness and beautiful condition on this 9 year old was memorable.

JUNIOR HANDLER

Judging Junior Showmanship is always exciting. It's wonderful to see the next generation showing off their knowledge and handling skills. Every one of them deserves kudos for their performance in front of our large ringside audience at this event. Despite jitters from some of the youngsters, each of them performed credibly considering the wide range of age and experience among them.

My entries were all young ladies, ranging from young adult down to a small girl in a pink sparkly outfit who was making her debut in the ring. All were poised, appropriately dressed, attentive, polite, and most important, kind and patient to their whippets. I was impressed with their good manners, respect for each other, and their skills, most especially the fact that every junior,

without exception, remembered to look up at the judge during the goaround with their whippet.

In the end, I had six class winners in for Best with three outstanding exhibitors among them. Ultimately, my choice for Best Overall was based on a handling pattern that required two exhibits be gaited side-by-side for the down-and-back, a pattern requires each handler to change the lead from one hand to the other to keep the dogs side-by-side. The sole handler to manage the maneuver correctly was my Best Overall Junior Handler, Danielle Clark with CH Wheatenridge Baccarat Endora. My heartiest congratulations to all the mentors of all of these fine young people. They are a credit to you all and to our sport!

IN CONCLUSION

My gratitude goes out to the Whippet Club of Eastern Canada for inviting me to participate in this event. It was a thrill to be invited and to make so many new acquaintances. This event was truly extraordinary and everyone who participated in making it a reality is to be commended.

I would be remiss if I did not acknowledge the singular performance of our ring steward. He was efficient, friendly, and positive. He ensured that exhibitors were lined up to enter the ring for each class as the previous one exited and he maintained the presence of mind to move the grooming table out of the sun between classes.

My thanks to Mr. David Swartwood for his outstanding service!

My humble thanks to every exhibitor who brought a whippet for my consideration. It was a privilege to be able to place my hands on each and every one of your entries. It's plain to see that, in Canada, the whippet breed is in very capable hands. Congratulations to all the marvelous winners! *ww*

2015 National Judge's Critique

Raymond Yurick, Notes and Critique

“A Day to Remember”

2015 NWCC National Specialty

When I received the email that I made the final ballot for the 2015 National, I was tickled pink. I did not ever think I would win this prestigious vote. A month later when I received the “congratulations you are going to the National” email, I was overcome with emotion. No greater honor can be bestowed on a breeder judge than the opportunity to judge the breed they are so passionate about. This same emotional reaction occurred when I had my final placements lined up in front of me. Just before I sent everyone around, my eyes welled up with tears and my heart swelled with pride.

I would like to take this opportunity to thank the members of NWCC for this bucket list assignment. Thank you to an incredible Show Committee for hosting and putting on a tremendous action packed weekend. The two local whippet clubs and SD&G host club rounded out a Whippet weekend to remember and drew a beautiful entry from near and far.

The feeling of overwhelming gratitude to have been bestowed with my third large whippet entry this year was only magnified with a great opportunity to access such a vast variety. This enables us, as breeders, to preserve and improve our breed as compared to the standard. This is a responsibility I do not take lightly and thank all the exhibitors and owners for coming out and enjoying a day of celebrating the Whippet breed with me.

For me, a Whippet's type is two parts; their unique silhouette (a combination of smooth continuous curves coming together to create a dog of medium/moderate size that possesses great balance and symmetry, power, agility, athleticism and elegance) and their ability to cover ground with a minimum amount of effort (open, easy and effortless side gait). Other important breed specific attributes I place in high regard are a large and dark round or oval eyes, strong under jaw, proper front fill, a strong sloping pastern, correct length of leg in balance with body depth and overall length, well let down/short strong hocks. **ALL EXTREMES** to be faulted!! Too long or too short back, exaggerated rise over the loin, steep or flat croup, over angulated rear assembly – basically anything that throws off the harmonious balance of a moderate, well-made dog.

It was a privilege to judge such a lovely large entry, gave me plenty to think about and enjoy. As a collective of breeders, we have worked so hard to improve fronts and shape. I am pleased to say, for the most part, this was very evident in the entry before me. The constant battle a Whippet breeder faces is staying true to TYPE as defined by the standard and creating their own style or stamp on the breed. I urge us all in our attempts to make our mark on the breed, to be wary of the following trends I am noticing across North America: the loss of proper eye shape, size and color; this directly affects the breed's characteristic expression. The shortening of leg length to reduce size; this throws off overall balance and a sight hound requires legs to fulfill their purpose. Loin and croup combinations that are becoming too short; this is directly affecting overall outline and balance, exaggerated rises over loin and steep croups.

This leads into my last concern; a lack of proper rear drive, which I believe is affecting a whippet's true open, easy, effortless side gait. The combination of short loin, steep croup, diminished rear angulation and a longer hock; from the side view rears are appearing to move in a sickle like fashion. We are settling for adequate and hopefully efficient side gait, where I hope we now will strive for the magical combination of maximum distance covered equals minimum lost motion.

Winners Dog /BOS/ Best Canadian Bred (Bred by Dog)

Cariad's Your it at Spellbound: a young, handsome dog, excelling in balance and symmetry, smooth clean lines, masculine and elegant, BEAUTIFUL large, dark, round eyes. He is sound, with a powerful, open, effortless side gait. It was a delight to watch this dog come into his own in front of my eyes. Every time he came into my ring over the day, he got better and better, hence deserving every award bestowed on him. A longer foreface with a little less stop would be the

icing on this delicious cake.

Reserve Winners Dog (Open Dog)

Festiva Snow Hill Imagine: a true contender for winners dog, it was awesome to have two dogs of this quality for winners as it helped me set my priorities early in the day! This dog excelled in silhouette, long deep ribcage, lovely tuck up, correct rise over the loin and gradual slope to his croup. He is masculine and elegant from the tip of his nose to his tail. His side gait was balanced and efficient, sound coming and going. From the side I wished he had more reach and drive.

Ultimately, my final decision on these two evenly matched dogs came down to side gait and eye shape and size.

Winners Bitch/BOW/BOB/Best Bred by Exhibitor (Bred by Bitch)

Snow Hill Devils Dance in Me: OUTSTANDING !!
From the moment I laid eyes on her, I fell in love; so

feminine and athletic with a silhouette that screamed Whippet. Her table exam was like touching porcelain with smooth, long muscles and clean curvy transitions, a shiny, close healthy coat, exceptional front fill, beautiful bone to size proportion, pasterns and feet to die for, perfect combination of elegance and power. On the ground her form translated into function, OPEN, EASY, EFFORTLESS side gait you could watch all day.

Reserve Winners Bitch (12-18 month bitch)

Festiva's Love You Forever: There is nothing more beautiful than a well made dog. This bitch excelled in balance and symmetry, lovely silhouette, so feminine, with very strong head detail, beautiful eyes and ears, strong under jaw. Truly sound coming and going with an efficient, effortless side gait.

It was awesome having two bitches in winners bitch that matched in style and strength so well; ultimately winners bitch was decided on greatest distance traveled with little effort and her inner glow that could not be described.

Select Dog

Ch Vrymeer Delivers Unobtanium RN: So handsome. This dog excelled in head construction and front assembly with a masculine, strong, powerful, lovely eye and ear. He has strong under jaw, neck to die for, smooth over the shoulder, proper return of upper arm and front fill, perfect length of leg for his depth of chest. Overall balance I would like to see him a little longer in body especially through the loin and croup. He did fall off a little quickly for me but, is sound on his legs with efficient front and rear drive

Select Bitch

Ch Vrymeer Beyond the Badge: Lovely, feminine, well made, an outstanding brood bitch. This meaning, I automatically thought she would be so fun to breed. Balanced and moderate, pretty expression, adequate under jaw, awesome front fill and return of upper arm,

smooth transitions, beautiful underline and tuck up. The PERFECT size, bone and proportion. Easy and efficient on her legs from the side but, moved a little close behind for me; a slightly longer neck, loin and leg would take this bitch to the next level.

Award of Merit / Best Veteran

Festiva's Been There Done That: If you have heard the term "Good, Honest Dog" this is one of them. I am sure he has been an outstanding producer both line bred and on the out cross, as he brings strong masculine qualities to the table. Outstanding head construction, beautiful eye, crisp ears, strong under jaw, stallion like neck, lovely bone, beautiful pasterns, deep long ribcage, proper loin length, correct finish to his croup. His side gait is easy and efficient. A smoother transition neck through shoulder and into his loin along with a little less rear angulation would make this dog that much more outstanding.

He is a match in style and quality to the winner's dog and it was fun working them against each other for BOS. In the end, the exuberance of youth out shone the experience of age.

Award of Merit

Ch. Sporting Field's Start the Bidding: see below

Award of Merit

Ch. Lightfalls at Willowisp by Plumcreek

These two bitches were a matched set. They excelled in the same outstanding qualities and suffered the same outline faults. I was thrilled that NWCC allowed me to give out the 3rd Award of Merit, as it would have been too hard for me to split hairs between these two bitches. Heads above the rest, these two bitches had the most beautiful faces I saw all day with large expressive dark eyes, beautiful small crisp ears, out-

standing head proportions and chiseling.

A lovely arch of neck, smooth through the shoulder, adequate upper arms and fronts that filled your hand, followed by a deep ribcage. Their side gaits were open, easy and effortless. Both sound coming and going. For me, their outlines were too condensed with shorter ribcages, shorter loin and croups that fell off too quickly. Lengthening these two bitches and giving them a slightly longer leg equals watch out world.

Best Puppy (6-9 puppy bitch)

Doonabrig Epic McCartney: So much promise. I love judging puppies as you get to judge the dog on the day and kind of forecast the future at the same time. She caught my eye the moment she walked into her class, which was the largest class of the day. After a couple of quick handling lessons, we had her up and on her way to a rewarding day. Very feminine, lovely size, great balance and proportion, so open, easy, effortless on her legs, nice and smooth through all her transitions, sound on the proper length of leg. She fit in very well with the type and style of my final placements.

Thank you again for this wonderful opportunity. I had the most enjoyable day.

The breed discussion after the National for area judges was very well attended and a lot came up in conversation. Thank you to the entire final line up for allowing your dogs to be used in the hands on portion. Everyone in attendance was grateful for the opportunity to see and touch such a quality entry.

NATIONAL WHIPPET CLUB OF CANADA SPECIALTY, LONG SAULT ONTARIO 2015

BEST OVERALL JUNIOR HANDLER: DANIELLE CLARK

We would like to congratulate our junior handler Danielle Clark. Danielle was awarded Best Overall Junior Handler at the National Whippet Club of Canada specialty under Judge Donna Miner (Domino Whippets USA).

Danielle is pictured with Ch Wheatenridge Baccarat Endora her first junior handling whippet
Danielle attended the American Whippet Club National Specialty in Oconomowoc Wisconsin with us in April 2015 where she was also awarded Best Overall Junior Handler.

For a youngster to win Best Overall Junior Handler in the same year in Canada and the USA at both whippet National specialties is quite an accomplishment.

Congratulations Danielle, all your hard work has been very worthwhile and we are very proud of you.
